Application Requirements: All applicants for a Basic Business License must comply with the following DC Code requirements:

- **Basic Business License Application**
To make sure you get your BBL as quickly as possible, you must submit a properly completed Basic Business License Application package. All of your responses should be printed clearly in English.
- **Certificate of Occupancy / Compliance for Zoning Regulations**
Before applying for your BBL, you'll need a Certificate of Occupancy (C of O) for the location where your business is conducted to demonstrate that your business does not conflict with building and zoning codes. (If your business is located in an office building, you may operate under the umbrella of the C of O issued to the owner of the building, as long as the C of O was issued for the entire building; check with your building owner or management company for the C of O holder name, number, and issue date.) If you have any questions about Certificates of Occupancy, please call the Building & Land Regulation Administration at (202) 442-9472.
- **Clean Hands Certification**
You'll also need to certify that you don't owe more than \$100 to the District of Columbia government as a result of fees, penalties, interest, or taxes through completion of a Clean Hands form provided in your BBL application package.
- **Office of Tax & Revenue (OTR) Registration**
Before applying for your BBL, you'll also need to register your business with OTR. If you're not already registered, simply complete and file a Combined Business Tax Registration Application (Form FR500); this can also be done online. For more information, please call the Tax Customer Center at (202) 727-4829.
- **Department of Health Inspection/Approval**
Your business must be inspected and/or receive approval to operate by the Department of Health (DOH) Food Protection Division. For inspections and/or approval procedures, contact the DOH by phone at (202) 535-2188 or in person at 51 N Street, NE, Room 703, Washington, DC.
- **Fire Marshall Inspection**
Your business is subject to inspection/approval by the DC Fire Marshall pursuant to DC Municipal Regulations and the DC Code. All businesses that manufacture, wholesale, warehouse, distribute, sell or use toxic or flammable materials or provide services to large audiences (theatres, restaurants, and public halls) are subject to inspection to ensure the safety of customers, employees, and property. Applicant shall obtain approval from the DC Fire and Emergency Medical Services (FEMS) Department, Fire Prevention Inspection Division. For additional information, please call (202) 727-1600 or visit the office located at 441 4th Street, N.E., Washington, D.C. 20002 to schedule an inspection.

Special Instructions: If your business falls into one of the following categories, there are additional requirements for your BBL application, as described below.

- **Non-Resident of the District of Columbia (including Foreign Corporations)**
If you are not a resident of the District of Columbia, you'll need to appoint a Resident Agent or an Attorney-in-Fact who lives or works in an office in the District, who will be the official recipient of any financial, process, or legal notices that we need to send to you. If you are not a DC resident, please complete the [Certified Resident Agent Appointment Form](#).
- **Corporation, Limited Liability Company, or Partnership**
If you're a Corporation, LLC, or Partnership seeking your BBL, your business must be in "[Good Standing](#)." This means that your business has filed its required bi-annual reports and paid all applicable fees. If your business is not in "good standing" when you apply for your BBL, your application may be denied and you might have to pay a fine of \$500.00.
- **Corporate Registered Agents**
Every corporation needs to have a registered agent office in the District of Columbia. This office can – but does not need to be – the same as your place of business. Foreign corporations doing business in DC need to certify that their named registered agent is duly authorized to represent that corporation.
- **Trade Name Operative (Use of Fictitious Business Name)**
